

TAMALE EXPANDS LONDON OFFICE

London, 8 November 2007 – Tamale Software, the market leader in research management, expanded its Sales and Client Service teams in London and relocated to larger offices in the West End. Tamale RMS is an innovative product that helps investment professionals manage their investment ideas more effectively, and easily access all of their firm’s research.

Spencer Black joins Tamale as Director of UK Sales. Prior to Tamale, Spencer held senior positions at Link Asset & Securities and Complinet. Marlan Chedumbrum is the newest member of Tamale’s Client Service team, having previously worked for EDS.

Mark Rice, CEO of Tamale said, “Our European client base is growing because analysts and portfolio managers recognize that Tamale RMS is a more effective solution for managing their research process than shared drives and *Outlook*. The workflow expertise of our client service team and the research specific functionality of Tamale RMS has been a winning combination for our clients”, added Rice. “Expanding our Sales and Client Service teams in London builds on this successful formula and demonstrates our commitment to the European market”.

#####

Tamale Software created the first software solution designed specifically to help investment professionals manage their investment ideas more effectively, and easily access all of the firm’s research. Tamale RMS, our groundbreaking product, is the recognized market leader in research management and was named the best front office innovation of 2007 by *The Banker* magazine. Tamale RMS is an easily configurable and customizable software solution that supports the research and investment decision making workflow of investment professionals. More than 1500 investment professionals at hedge funds, traditional asset management firms, pension funds, endowments, funds of funds and private equity firms rely on Tamale RMS to support their research process. Tamale has offices in New York, Boston, San Francisco, Chicago, Los Angeles and London.
